# Want To Save Time and Money???

## Fourth Grade Supply List Fall 2014

Dear Future 3rd Grade Families,

The 3rd Grade teachers have requested that instead of purchasing your child's school supplies through your local discount store, that they are purchased with cash or check through your child's teacher. If all the supplies we needed for your child were purchased at regular prices, it would be around \$65. So, we are going to do all the work for you! All we are asking is that you send \$45 in an envelope marked "3rd Grade School Supplies" to your current child's teacher. They will get it to the 3rd grade teachers. We will then be shopping the "before school" sales and getting the supplies your 3rd grader will need for the 2012-2013 school year. This not only saves you time and money, but it also allows us to get exactly what we want and not have to deal with storage issues here at school.

It would be helpful if you sent your money by Friday, May 9th. That way we can have everything purchased that your child will need before they arrive next school year.

Thank you so much for your support! We look forward to meeting your 3rd grader!

Mrs. Black, Mrs. Hess, Mrs. Lee, & Mrs. Woods

\*\*\*If you are writing a check, please make it out to Verdigris School. We will send a receipt home with your child shortly after you send the money in. J.O.M. students need to pay \$25 to go toward the purchase of the supplies that J.O.M. does not cover.
